MEMORANDUM

TO: Michelle Edwards
Deputy Clerk

FROM: Marc Maurer
Staff Engineer

DATE: October 7, 2016

RE: **Special Ordinance 36, 2016**

The Department of Engineering has reviewed Special Ordinance 36, 2016. The petition for the vacation of the alley must include the dedication and construction of and alternate alley route to Harding Street so that a dead end alley is not created by this vacation. The Department of Engineering does not support the vacation of any street or alley which would create a dead end.
